## From the Pastor's Pen

I hope you enjoyed the Lenten sermon series based on Adam Hamilton's book, *Half Truths: God Helps Those Who Help Themselves and Other Things the Bible Doesn't Say*.<sup>1</sup> I was glad to have retired pastor, Ed Merry, join me in this venture as we covered five half-truths:

1. Everything Happens for a Reason
2. God Helps Those Who Help Themselves
3. God Won't Give You More Than You Can Handle
4. God Said It, I Believe It, That Settles It, and
5. Love the Sinner, Hate the Sin.

Any one of those half-truths could have taken up several sermons, but if you were there those five Sundays, you got the idea.

Why do you suppose these "half-truths" are so common? I want to suggest that translation and interpretation are the main reasons, coupled with a lack of Bible study and knowledge about how the Bible came to be.

Think about it: the Bible as we know it did not fall from heaven as a completed volume with 66 books in an old and new testament. Over many centuries, multiple authors that lived in various places and under differing circumstances, contributed to the wonderful account of humankind's relationship with the one true God. Originally written in Hebrew and Greek, the Scriptures are more than a collection of stories, history, poetry, prophecies and parables: they expose our continual failure to follow God's will consistently and to live faithfully. At the same time, the Scriptures leave us in awe of God's power, mercy, grace, forgiveness and love – ultimately through the gift of Jesus Christ, who demonstrated God's love through his earthly life, ministry, death and Resurrection.

None of the original manuscripts exist today. What we have are copies that have survived and been translated into hundreds of languages, including English. Each version differs as translators struggle to determine the best meaning of the text. Each translator's own religious beliefs and culture also affect the translation, so it should not surprise us that the New International Version reads somewhat differently than the New Revised Standard Version or the Common English Bible, for example.

Some people say they don't interpret scripture: they just read it and accept it for what it says. In other words, they don't study the Scriptures, and they tend to read the entire Bible literally. God calls us to do better than that. Studying the Bible requires learning what we can about *who* wrote the text, *when* a particular book was written, *why* and *to whom* the book/letter was written, what was the culture of that day, and *what* was going on in the world of the writer or the recipients of the text.

Blindly reading the Bible will lead to all kinds of personal interpretations, because all of us read through the lens of our own experiences and beliefs – that is normal. Study helps us read and think about the Scriptures with a broader lens. Study, along with prayer, invites the Holy Spirit to speak to our hearts and shape our lives more deeply.

Every Christian should have at least one study Bible, a Bible commentary, and a Bible dictionary. Reading books by others about the Scriptures – such as Adam Hamilton's book cited here – are also helpful – even when we don't totally agree with their views. But it is essential that we become aware of and try to understand differing views; otherwise, how can we have a knowledgeable and civil conversation about them? How can we know and explain to others what we believe as followers of Christ?

<sup>1</sup> Published by Abingdon Press in Nashville, 2016.

In 2 Timothy 2, Paul instructs his son in the faith to grow in Christ. Read at least the entire chapter to get the context of verse 15: *Do your best to present yourself to God as one approved by him, a worker who has no need to be ashamed, rightly explaining the word of truth.* The King James Version reads the first part of this verse, *“Study to show yourself approved...”*

Think about how you are presenting yourself to God as a “worker who has no need to be ashamed, rightly explaining [that is, handling, understanding] the word of truth [as found in the Scriptures]. And remember that the only Scriptures Paul and the other New Testament writers knew, was the Old Testament (the Hebrew Scriptures). Paul and others had no clue they were writing letters that would later be called “scriptures.” Their task was to share the good news of Jesus Christ with people everywhere, helping them to receive God’s love in their own lives and live faithfully, by the help of the Holy Spirit.

Come to think of it, those are our marching orders, too!

On the journey together,

*Suzanne*

## Craft Meeting

Happy Easter everyone! Well, it’s been a little slow-going this year for everybody, with the weather conditions and illnesses that

have been going around. But I am happy to say that Spring *is* here, and the Crafters have been organizing and putting on our thinking caps for new projects to do this year.

Don’t forget if you are Spring-cleaning, before you toss out those used greeting cards, turn them over to the Crafters to be made into something creative. Come by and see some samples we have on our display board in the Sunday School Hall. We accept all kinds of greeting cards. Also, there is a calendar for upcoming meetings and events that we will be posting throughout the year, so don’t forget to check it out from time to time.

Our next meeting will be **April 18** at 10:00 a.m. in The Happy Hands room and, next month, on May 2, 16 and 30.

May the dreams you hold dearest be those which come true, And the kindness you spend keep returning to you. Blessings to all and Happy Crafting,

Rita Honeycutt ♡

## SENIOR SPOTLIGHT

**John & Carol Wilson**  
**John Frank Wilson** was born to Frank Jones and Lillian Virginia

Weeks Wilson in Harrisonburg, VA. He grew up in Monterey, VA in Highland County, a place that is known as the "Little Switzerland" of Virginia. He attended Monterey Elementary and High School and graduated in 1958. During his growing up years, John mowed lawns and worked on his cousin's farm. He also helped build the first snow-ski chair lift at the Homestead Resort in Hot Springs, VA. He was an only child and some of his favorite memories are riding his bicycle around the county with his cousins and spending many days in the woods hunting and exploring nature.

After high school graduation, he went to Virginia Tech where he studied Mechanical Engineering. He graduated from college in 1962 with a B.S. degree in Engineering. He went to work for J.P. Stevens Textile Industries in Rock Hill, SC. After six months there, he received an offer from NASA to work at Langley Research Center in Hampton. John accepted that offer and worked at NASA for over 41 years. His work there included working on many engineering projects, one of which was designing the first prototype cryogenic wind tunnel in the U.S. After that, the team designed and built the National Transonic Facility on which he served as Deputy Construction Manager. He spent three years as a shakedown and checkout manager for the facility. Following that job, John was transferred to the modifica-

tion of the Eight Foot High Temperature Structures Tunnel as Construction Manager.

**Mary Carol Sparks** was born to James Harvey and Dorothy Catlin Tucker Sparks in Norfolk, VA. Carol briefly lived in Jamestown, PA, but most of her younger years were in Richmond, VA. She attended Ginter Park Elementary and graduated from Thomas Jefferson High School. She went to Radford College where she studied elementary education and obtained her B.A. degree in Education in June 1964. During Carol's college years, she was on the Dean's List and was a member of Sigma Kappa National Sorority. She worked long hours both on and off campus and paid all of her college expenses. After attending Radford, she worked three years for Hampton School System, where she taught first grade at Tucker Capps and Francis Asbury Elementary Schools. At the end of three years, she decided to dedicate her time to raising her family.

Carol was the middle child of three, between her older sister, Dorothy, and younger sister, Judy. Some of her favorite memories are playing school and studying with her sisters. While in college, John and Carol were both active in the Wesley Foundation. While attending one of those functions in Richmond, John remembers seeing Carol, but she has no recollection of seeing him. The next weekend, while attending a Radford College dance, John met Mary Carol Sparks, a beautiful young lady. She soon became the love of his life and they married on June 29, 1963. In June of this year, they will celebrate their 55th wedding anniversary.

Carol and John started their lives together on Kecoughtan Road in Hampton. They began their church life as members of Aldersgate UMC in Hampton. After a year, they built a home in Fox Hill, where they lived for three years. During that time, John took a short sabbatical, and they moved to Charlottesville where John did some

graduate work on his Master's Degree. Carol substituted in the school system. Upon coming back to NASA, he completed the required work to obtain his Professional Engineering License.

Once they returned to Hampton, they built a home in Powhatan Park where they raised their family and lived for 36 years. They also had a vacation home near the Chickahominy River where they spent many happy hours teaching their children and friends to water ski. They also loved to snow ski and enjoyed that in both the U.S. and abroad. As are most parents, John and Carol were very involved in the children's activities such as swim programs, soccer, and scouting. Carol became involved in Peninsula Patrons Tennis Association. They enjoyed playing tennis regularly on teams, etc. While she still plays, he enjoys playing golf. Carol has enjoyed teaching crocheting, cross-stitch, macramé, and more.

Once the children were grown and finished their education, they decided to build a waterfront home in Merrimac Shores. They continue to be active there as well...Peninsula Retired Men's Club, Ladies Sewing Group, Bridge Groups, and Garden Club are some of the interests they enjoy. Many of us have heard the musical quartet, PULSE, here at Bethany, that John participates in. Carol and John have also been blessed to travel a great deal, including most of the United States, Europe, Asia and Caribbean Islands.

They have two children: a son, Michael, and his wife, Heather, reside in Atlanta, GA with their daughter Brooke, and a daughter, Suzanne, and her husband, Chris, reside in Chesapeake, VA with their two daughters, Kayleigh (13) and Kyrsten (9). Both girls are also very active in school and swimming activities. The Wilsons try to stay involved as much as possible in their grandchildren's lives.

John and Carol joined Bethany in 1972 and have been active in the church ever since. They are

members of the Wesley Class. He serves as a Trustee and served as Council Chair several years. Carol serves on the kitchen crew, the Staff/Pastor Parish Committee, and also served as Secretary for the Church Council and Charge Conference. Together they were blessed to be able to represent Bethany on the Ethiopian Mission Trip, and also served as our most recent Church Directory team. We appreciate all of their service and dedication over these last 46 years here at Bethany.

## **Introducing Bethany's Administrative Assistant – Rebekah Doggett**

Rebekah was raised in Beaufort, SC. She graduated with a Bachelor of Arts from the College of Charleston. Her first "real" job was in

Charleston, SC as an administrative assistant at the Lodge Alley Inn, a Bluegreen Resort. As she moved up in her position, she also moved with the company (several times!). She moved to Daytona Beach, FL; Orlando, FL; Atlanta, GA and Williamsburg, VA. She became the Administrative Manager and eventually the Director of Field Administration. When she moved to Williamsburg, she decided to become more involved with the community. She met her husband, Dale, while working with The Williamsburg Players, a local theatre group. They were married on October 9, 2009. In 2012, they welcomed their first son Trip and in 2014, they welcomed another son, Artie. ### United Methodist Men

With warm weather comes the time for Yard Sales and the BUMM's have a great one for you on Saturday, **May 5**. Registration will begin on Monday, April 16 in

the church office between 4-6:00 p.m. Monday through Friday. So, gather your treasures and be ready to choose your site.

Our Church Wide Picnic will be on **June 10**.

On a sad note, the Bethany United Methodist men have decided to discontinue our Prayer Breakfast. Due to a lack of support by Bethany's members, we no longer find it viable to host. The participation has been trending down the last several months with no increase in sight. We have provided a great mission project to our Bethany brothers and sisters for over 25 years. We are very proud of the many we have prayed for and lifted up in the name of our Lord and Savior Jesus Christ. There is no shame in bringing it to an end only Honor serving God in

this way. This has been a great mission project for Bethany's UMMen; we will continue to lift up those in need with our prayers. The BUMMen wish to thank everyone that have helped make this Prayer Breakfast a success and a wonderful way to start our Sundays.

The Bethany United Methodist men are proud to announce the newest Eagle Scouts of BSA Troop 915 (front row): Jeremy, Matthew and Josh. The rank of Eagle is the highest rank a Boy Scout can achieve.

Only two percent of all Boy Scouts earn the rank of Eagle Scout. Since the beginning of Troop 915 in 1988 there have been 25 scouts to achieve that rank at Bethany.

Do you need to find out what the men will be doing in the upcoming months? You can easily see our 2018 calendar on Bethany's website under the "About Us" page. Just go online and visit our website at <https://www.bethanyunitedmethodist.org/>.

Have a Blessed Month,  
Jim Chaffin

Since the class began in 1963, we have used the International Lesson Series for our Sunday School Class studies. Last fall, we tried out a DVD series which we found to be most effective and are now continuing with that format. Please come and join us as we are into a new series - THE RACE - which compares NASCAR and its flags with the race towards life - this series is cleverly interwoven with scripture and thought-provoking discussion. Come and join us 9:15 every Sunday in Wesley Hall.

## Thank-you!

Dear Bethany Family,

I would like to thank everyone for the calls, cards, prayers, food and for taking my duties for several things.

I look forward to being back very soon and I miss you all very much. May God bless each one of you.

Thank you,  
Glenda Adamowski

Dear Bethany Family,

Thank you for the heart-felt reception for me on Sunday, February 4 after worship. I am blessed by your goodness and kindness. You all touched my heart deeply. I have been with you daily through the years and it has been quite an adjustment for me traveling on the path I am on right now. I have thought and reflected on all of you during this time and remember special memories as well as being able to serve you, the pastor(s), the congregation and mostly our Lord. I cherish and appreciate all the cards and gifts given to me at the reception. God bless you.

~Beverly Belvin

Dear Friends in Christ,

Your March gift is already helping our hungry brothers and sisters this winter! Thank you for your gift of health and hope. Bethany UMC is putting healthy, nourishing food on the tables of individuals and families who are struggling to get by. Partnering with Society of St. Andrew, you engage volunteer learners in hands-on mission and service; you help send large loads of fruits and vegetables to areas where they are most needed; you support local feeding agencies in every area of the country; and you reduce food waste- all as you follow Jesus' command to feed the hungry. Thank you for this

gift and for joining with Society of St. Andrew in our mission of working toward feeding physical and spiritual hunger.

~Betty Easter, Society of St. Andrew

We extend Christian love and prayers to Kathryn Burger and family for the loss of her husband and our beloved member, **Roy Burger**, who passed away on March 20, 2018.
